

APPRAISER INDEPENDENCE LAWS

The goal of this document is to examine how states are attempting to combat appraiser pressure. Appraiser pressure is defined as a mortgage lender, broker, or a real estate agent or broker pressuring an appraiser to reach a certain value in conjunction with an appraisal of real property. This is usually in connection with a mortgage loan. Many appraisers consider appraiser pressure to be the biggest problem facing appraisers in today's real estate market.
